

Grilled Peaches “n” Berries

2 medium ripe peaches, halved and pitted
½ c fresh blueberries
1 Tbsp brown sugar
2 tsp lemon juice
4 tsp butter

Place two peach halves, cut side up, on each of two double thicknesses of heavy duty foil (12inch square). Sprinkle each with blueberries, brown sugar and lemon juice, dot with butter. Fold foil around peaches and seal tightly.

Grill, covered, over med-low heat for 18-20 minutes or until tender. Open foil carefully to allow steam to escape.
